Crafts for the Community

Crafts for the community is a way for middle school aged children to work together and give back to the community. We do community projects for various groups. We try to make the projects art/activity based and have each child bring part of the supplies to feel fully involved. Come visit, have pizza, and get more involved in your community.

Some past Projects we have done:

Centerpieces for senior lunches, cat toys for Northwind Kennels, Mother's Day gifts for the Northern Westchester Community Center, Christmas treats for Neighbors Link, and Firefighter Survival Kits.
