

## ***Tots and I***

Tots is my dog  
He sleeps like a log  
He big thick and chunky  
He's also so lumpy  
Snores like a pig  
But doesn't like to dig

Tots is very cuddly  
And also my buddy  
We both love sleeping  
But not leaping  
His face is so flat  
Like he was hit with a bat

Tots is super lazy  
And super crazy  
He loves to run around  
But his stomach is too round  
He is so energetic  
And yet is not athletic

Tots is very jiggley  
And super wiggley  
He loves the fire  
And barks at the dryer  
Tots is my one and only  
And i'm the only one for him
