

Potatos aren't just for eating....

Wednesday, August 1st

3:30-4:30 pm

Entering Grades 3-5

Join us to see if we can use a potato to light up a light bulb??

We will also be planting a potato for you to take home and watch grow!

A special treat will be provided.

Call to register 914-234-3570 or register online

Please alert us of any food allergies
